Who is telling the truth, Yahshua or Yochanan ben Zachai? What is the conspiracy between rabbinic Judaism, the messy-anitcs and he Hebraic roots movement? Strange bed fellows or like hand and glove? And is there a deep conspiracy?

In PT 1, we shall examine the historic accounts of Josephus to clarify the true facts of the fall of Jerusalem and the creation of what we now know as Rabbinical Judaism.

PT 2, We will discuss the founders of the early Jesus movement, who they were, and how they created what we now know as the Apostolic system. We will also discuss the divestment between Rabbinic Judaism and the early Yahshua movement.

Presenter: Jackson - 4+ sessions - Topic: Those Fraggin' Scrolls

1 - 4QMMT, The Zadokite Fragment and Our Future. Two Crucial fragmented texts from the Scrolls clue us in on subjects that pestered the Enochians and Zadokites to distraction. What can we learn from such glittering yet corrupted texts for our own survival? We can learn a lot.

2 - "The Flight to Pella" - Apostolic Prophecy unreceived and forgotten, yet of a surety, fulfilled for the Elect. Yahshua as YahSviot returning as advocate for Rome. How Pella becomes a sure paradigm for the Vero Yahad in the next century.

4 - Do Not Touch! Glittering, Reconstructed Frags and Translations - little known DSS fragments that herald the new Covenant of Messiah, the destiny of the Just, the Millennium of peace, and the advent of a New Teacher, Interpreter and an everlasting Movement.

5 - (optional) - Yahshua's Bloody Death and Hell-bound Journey - an exposition that explains in a scriptural manner (using scrolls and others) the reason that he was assassinated: Was he the last Levitical sacrifice for sin? Does his blood save anything? Or was he like a lamb, willing to give up his life to a foreign power to keep peace? A zealot? A volunteer? A weak-wristed sissy?

Presenter: Barb W. - 2 sessions - topic: Jesus & Christology

1 - Messiah's Identity: Did he ever claim to be YHWH? -: Yehoshua came to give us an understanding of the true Elohim so we would not worship idols (1 John 5:20-21), and throughout the history of the world people have gone after other Elohim rather than worshiping our Father in spirit and in truth. This presentation will explore the bible in detail in regard to the claims by some that Yehoshua said he was YHWH, by looking at what his followers believed about who he was, who he said he was, prophecies concerning him, and more. A few quotes from the Clementine works concerning Yehoshua not being YHWH and some comments from Josephus will be presented also for corroboration. Due to many verses that seem to be taken out of context, the presentation will also include discussions on frequently asked questions, and will take a look into what the "word of Elohim" truly is.

2 - Emptying Ourselves, Becoming Servants, To Be Exalted & Worshiped - The bible says we will be worshiped and co-heirs with Messiah, sitting on the same throne/authority that he has. How would we achieve that? By doing what he did. We must empty ourselves of our own will, forsake our lives, pick up our cross and follow in his footsteps. The presentation will focus on Yehoshua's sacrifices, how he emptied himself, and how we're to do the exact same that he did, with a special focus on Philippians 2:1-13. Because people have tried to claim Yehoshua was YHWH and did something that they cannot do, they have not tried to do what he did! But in order to bring about the heavenly kingdom on earth, we should pick up our cross and follow him, to do even greater works that he did. Because when we empty ourselves, we can be filled with the Father's Spirit and do His works, not our own. We can and should let YHWH use us to restore creation.

Other presenters: Shari Gamble Freeland, Andrew Carlson, Robert Eisenman.

In the last two years, the Yahad has sponsored five events in various states in order to allow people of like interests to get together, study together, worship together and play together. These events, which we call "Boot Camps," have been very popular with those who enjoy camping, the out-of-doors and the fellowship of like-minded others.

This year we are repeating our excellent camp of last year in Coffee County, Georgia. But we

won't be camping. No, we will be lodging. General Coffee state park has a beautiful and very functional lodge with a spacious meeting room, a women's dorm on one side, and a men's dorm on the other. The facility is more than adequate and perfect for our needs.

We are also considering a field trip to Savannah, GA. There are many historical buildings there that have served the "Essene" Movement in the 18th century and on.
